1. This is the moment, time, and all see me, not; but they will. Love personified on pages not-me, and me. Love them all. All. All is/are me in surrender-tude of/in me alone. I love you all.

2. This is the time of me and all the world cries after me, wanting I Am-ship through throughout the/their ages. I love you/them all.

3. Think not of my appearing, think me. Think me, see me, becoming me: I Am. I love you I Am, Am'ing my people not with "I" but me, me alone, I Am, father; one is, being, altogether mine, one.

4. England, Britain grows not, shrinks not, but becomes me-only-hood, not; but much/many square miles do, will, reign of terror not, peace peace'd, peace'd one ruling. Watch me. Now.

5. Look out not/forever seeing the all-channel of me. I love you. You have/are.

6. I love/now you past throughout, for time backward'd not, but all time'd, to and fro, all throughout the ages thought compartment/compartmentalized.

7. Now.

8. Ted, now speak me. Look and listen into my eyes, ears, heart palpitating in you each other, revealing me now to me'd, many me'd were, forgot, remembering again, surrendering, surrendering, surrendering to me, not you; me alone, father.

9. I love you all. I give you all, all of you who want me preeminent not one, any, seek me/see me alone in/being all.

10. New York time, not; my time, London time, now! Bang! Pow!

11. Loveliness exceed loveliness personified. Thank you. Are.
